DR. KATHRYNE D. ORCENA

College President and Dean

North Negros College

Dear Dr. Orcena,

Good day. I am writing to express my interest in a part-time teaching position at North Negros College.

I am a full-time freelance Web Designer and Developer with nearly a decade of experience working with clients both locally and in the U.S. market. I have built my career helping businesses grow through effective web solutions, and I would be glad to share what I've learned with students who are preparing for the real world of technology and digital business.

I hold a Master's degree in Information Technology and have a strong passion for teaching and mentoring. I believe that industry experience combined with academic knowledge can offer students practical and valuable learning.

I would be honored to be part of your team and contribute to the growth of future professionals in the field.

Thank you for considering my application. I look forward to the opportunity to discuss how I can be of service to your institution.

To your success,
Jet
